STABILO[®] Professional

Telescopic platform ladder

Height-adjustable telescopic platform ladder with large platform and U-shaped safety rail with security cordon for safe stand and integrated castors for back protection during transport.

- + Extra large platform: 500 x 450 mm
- + Working height up to 4.60 m
- + Different heights can be reached comfortable and fast thanks to the height-adjustment through the ClickMatic-System
- + Sturdy stabiliser with integrated transport castors for extra safety and easy transport
- + Integrated pull and push protecting device for a maximum of safety
- + Safety top rail with security cordon for an all around safe and large-area workplace
- + Thanks to a width of only 900 mm the ladder can stand directly at the objects
